1. Heard.

2. The petitioner had applied for the post of Surveyor which was to be filled in open category in view of advertisement dated 25.11.2004. However, he was not considered for the said post because he was over age. He tried to make out a case for project affected persons but the post was not reserved for the project affected persons and, therefore, Maharashtra Administrative Tribunal has rightly rejected the Original Application made by the petitioner. No interference is called for in the said order. Petition is accordingly, rejected.
